Serial 208. In this letter the S.S. has said that he has selected the building of one Mr. Nanjappa for locating the female dispensary at Nanjanpore and that he has written to the D.C. enquiring that if the building could be secured, the dispensary could be opened and that he was awaiting the D's reply.

(a) This reply does not seem to have been received till now. In the meanwhile Mr. Rangiengar petitioned the S.S. on 3.1.27, that he was prepared to rent out his building for the dispensary for Rs 30 per month.

Flag A The S.S. forwarded the petition to the D.C. and asked him to visit the place at once and submit a report within three days.

(b) on 13.1.27, the D.C. reported to the S.S. that he inspected the building with the S.D.O. Nanjanpore and that it was very spacious than Mr. Nanjappa's building etc.

Thereon the Communicate, the DMO wrote to the S.D.O. that the building had been approved by the SS. and requested him to ask the owner to make certain repairs within a week viz Flooring for upstairs, cleaning the well, cleaning the rooms and Compound, colour and white washing.

The DMO forwarded a copy of this letter to the SS. for perusal. on this the SS. has ordered, "ask him to hurry it up".

P.W.D

Having gone so far, the SS. now says that the final Choice may be left to the local bodies. In that case he should not have interfered in the matter at all. He had written to the D.C. about Mr. Nanjappa's building and was awaiting his reply. He should have referred Mr. Rangiengar to the D.C. instead as mentioned above he instructed the D.M.O. to ask Mr Rangieregar to make the repairs. Further, if the SS. had not agreed when to take up Mr. Rangiengars building, he

Sir,

With reference to your letter No. L.3785/Med.58-25-4 dated 25-11-25 regarding the opening of female dispensary at Nanjangud, I have the honour to forward the enclosed copy of letter No. C.2071/L.B.24-25 dated 21-12-25 from the President, District Board of Mysore, together with the resolution of the District Board and the Nanjangud Municipal Council in the matter and to state that final proposals for opening a female dispensary at Nanjangud will be submitted as soon as a Lady Doctor becomes available, as desired in your letter under reference. In the meanwhile, as the building promised by Mr. Ramaiah was inspected by me and found to be quite unsuitable for dispensary purposes, necessary instructions for making additions and alterations to the present male dispensary and make it suitable for a combined dispensary may kindly be issued to the Public Works Department with a view to have the building completed in time. The Executive Engineer has been asked to forward a plan of the ground and building of the present Local Fund Dispensary at Nanjangud to enable me to indicate the additions and alterations that may be required to be made.

Sir,

With reference to your letter No. G. 7004/Med. 58-25-6, dated 2nd March 1926, calling for my suggestions regarding the construction of a Female Dispensary and Maternity at Nanjangud, I have the honour to state that, in accordance with the wishes of the people of Nanjangud the Executive Engineer, Mysore Division, has selected a site by the side of the present Local Fund Dispensary, for the construction of the proposed Female Dispensary and Maternity and the site has been approved by the District Medical Officer. I have also seen the site which is suitable for the purpose.

In introducing the scheme for combined male and female dispensaries at Taluk Head Quarters, it is not, in my opinion, desirable to have a common institution under one roof for treating males and females affording chances to patients of the two sexes to come in close contact, where the local sentiment is not in favour of the same, and that the main object of the combination viz., to secure mutual co-operation of the male and female doctors in cases of necessity and urgency will be sufficiently secured by locating the two dispensaries side by side in the same compound as in the present instance.

The site plan received from the Executive Engineer Mysore Division, has been approved and returned to him with information of the accommodation required with a request to prepare the necessary plan and estimate for a separate building on the site selected.

Respected Sir,

The undersigned B.
Ranga Iyngar cloth merchant Nanjangud
most respectfully begs that you will be
pleased to take the following lines for
your esteemed consideration and pass
favourable orders:—

The undersigned submitted a petition to the Senior Surgeon Mysore purporting to rent out his bungalow in the Nanjangud Extension costing (Rs 10,000) ten thousand rupees which possesses a Compound, sufficient ventilators & accommodation for the female Hospital Nanjangud. The Senior Surgeon thereupon issued an order dated 16.1.27 No 2147 that he has approved of the aforesaid building and that he has selected the same directing the petitioner to make certain alterations in the building for which arrangements were made as soon as the orders were received and nearly seven hundred rupees were spent and alterations were effected. Meanwhile he seems to have

changed his mind for reasons known best to himself. However as the petitioner has already effected certain alterations to suit the Hospital he ~~give~~ likes to give the aforesaid building free of rent for one year for the hospital which he stated in the course of your honor's interview on 2.2.27. In conclusion the petitioner humbly begs that your honor will be pleased to accept the same for one year

No. C 684-55 of 25-26

Enc. 5.

From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

To The General Secretary,
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.8401/Med. 29-25-9, dated 9th February 1927, I have the honour to state that, as already reported to Government in my letter No.C.684-35 of 25-26, dated 19th September 1926, the building belonging to one Mr. Nanjappa had been selected by me for temporarily locating the proposed Female Out-patients' dispensary at Nanjangud, if that building could be secured for the purpose, pending construction of a new building according to the standard design. No reply has, till now, been received by me from the President, District Board, on the subject.

About the end of December last I received an application from one Mr. B. Ranga Iyengar, offering his building for the proposed dispensary on a monthly rent of Rs.30/- and I forwarded the same to the District Medical Officer, Mysore District, for a report. The District Medical Officer reported that as the owner had previously demanded Rs.50/- rent, the Sub Division Officer had promised to take up Mr. Nanjappa's building and that, as Mr. Ranga Iyengar was now prepared to reduce the rent to Rs.30/- and was willing to make necessary alterations, the latter building might be preferred. Thereupon the District Medical Officer was requested to have necessary alterations made and to submit a report. The District Medical Officer addressed the Sub Division Officer Nanjangud on 16th January 1927 requesting him to get the marginally noted im-

marginally noted improvements effected early by the owner. It is not known if any instructions in writing were issued accordingly to the owner (Mr. Ranaga Iyengar) by the Sub Division Officer. (This Office file containing C. 1961-1, 2, 3, 4, & 5, enclosed for perusal and favour of return when done with.)

1.Flooring for upstairs, 2.Cleaning the well, 3.Cleaning the rooms & Compound, 4.Colour and white washing.

On the 18th January 1927, Mr. Nanjappa presented a petition to me stating that his house had already been agreed to be taken up and that, in accordance with the suggestions of the Sub Division Officer he had already effected certain alterations to his building and requesting me to decide the question by personal inspection. I at once made up my mind to inspect the locality in company with the Deputy Commissioner and settle the question once for all and wired to the District Medical Officer to "stop further action till my visit" and also to the Deputy Commissioner if he could make it convenient to accompany me to Nanjangud on the 21st January, since I had to visit Mysore on the 20th in connection with a meeting of the City Improvement Trust Board. Mr. Ramanathan replied to say that he had to be at Malavalli on the 21st and that the joint visit to Nanjangud might be fixed for the 30th January 1926. My views regarding the relative merits of the two buildings for the purposes of a dispensary are contained in my D.O. letter dated 8th February 1926(copy enclosed) to the President of the District Board, whose final reply is awaited.

Mr. Ranga Iyengar at first wanted a rent of Rs.50/- (vide copy of District Medical Officer's report No.2125 dated 13th January 1927). He came down to Rs.30/- as soon as he saw that his neighbour had offered his building for Rs.30/- and, after hearing my opinion as to the merits of his building, is now offering it "free of rent" for a year. I cannot help the impression that Mr. Ranga Iyengar is actuated by a spirit of rivalry and I

and I would rather not countenance unhealthy competition of the kind engendered by party spirit, evidently existing in Nanjangud. In these matters, the final choice may well be left to the local bodies. I have, therefore, intimated my views to the President, District Board, and am awaiting his reply.

It may also be pointed out that the so called repairs required by the District Medical Officer, in his letter dated 16th January 1927, to the Sub Division Officer, viz., flooring for the upstairs, cleaning the well, the rooms and the compound and colour and whitewashing, could in no sense be called "special repairs" costing some hundreds of rupees, but are the ordinary finishing touches which every owner of a building is bound to attend to, sooner or later, and without which the building would not be considered as completed, or taken up for occupation. I do not, therefore, think that the Government are likely to be involved in any liability. Any how I am sending a copy of your letter to the Deputy Commissioner, Mysore District in continuation of my D.O. letter already referred to for an early reply.

I may perhaps, also add that if Mr. Ranga Iyengar is really willing to offer his building free of rent for a charitable purpose connected with the proposed Female Dispensary, it must be a matter of no difference to him whether the building is used for the Dispensary or as quarters for the lady doctor in charge or for both, these being matters within the province of the authorities responsible for the administration of the institution.

I have the honour to be,

Sir,

Your most obedient servant,

W Thomson

Senior Surgeon.

D. O. Letter No.C.684-51, dated 8th February 1927 from the Senior Surgeon in Mysore to Mr. A.V.Ramanathan, President, District Board, Mysore District, Mysore.

With reference to our joint inspection of the buildings available at Nanjangud for temporarily locating the proposed Female Dispensary there, I request you to kindly have the question placed before the earliest meetings of the District Board and local Municipality and let me know the final decision as regards the building to be selected. My own view is that the building offered by Mr. Tabala Nanjappa is more airy, with more light in the rooms and therefore suitable for the dispensary. The one offered by Mr. Ranga Iyengar has too many small rooms which are darker and therefore not very suitable for dispensary purposes. But it will do for quarters to the lady Sub Assistant Surgeon to be placed in charge of the institution if taken up.

With reference to your No.C.1961-1 of 9th January 1927, I ~~write~~ with the Revenue Sub Division Officer, Nanjangud, inspected the building of Mr. B. Ranga Iyengar of Nanjangud, intended for the female dispensary . This building is more spacious than the one belonging to Mr. Thabala Nanjappa there is a spacious upstairs room which may be occupied by the Lady Sub Assistant Surgeon who will always be available to the public. The two rooms in the rear portion may be utilised for in-patients. This building has got a compound wall and a well, both of which serve a very useful purpose for a dispensary. The Revenue Sub Division Officer says that as Mr. B. Ranga Iyengar demanded Rs.50/- sometime ago, he had promised to take up Mr. Thabala Nanjappa's house. I had an informal talk with the Deputy Commissioner in this matter and his suggestions were that the choice may be left to the local Body. Now that Mr. B. Ranga Iyengar is willing to let out his house for Rs.30/- and also make such improvements as are necessary, his house may be preferred.

Sir,

With reference to your letter No.G.8637/Med. 58-25-2, dated 13th February 1927, forwarding a copy of petition, dated 4th February 1927, received by Government from Mr. B. Ranga Iyengar of Nanjangud, I have the honour to invite kind attention to my letter No.C.684-55, of 25-26, dated 11th February 1927, submitting a detailed report on the subject.

No order was sent to the petitioner by this office as alleged in the petition. What is referred to is probably, the letter addressed to the Sub Division Officer, Nanajangud, by the District Medical Officer, Mysore District, bearing No.2147, dated 16th February 1927, which

which forms one of the papers in the file already submitted to Government.

Sir,

With reference to the correspondence ending with my letter No. C.684-61, of 25-26, dated 16th February 1927, I have the honor to forward the enclosed copy of D.O. letter No. C.2071/L.B. 24-25, dated 5th May 1927, from the Deputy Commissioner and President, District Board, Mysore District, together with the resolutions of the District Board and the Municipal Council of Nanjangud therein referred to, in the matter of opening a Female Dispensary at the place, and to request that you will be so good as to obtain the sanction of Government for opening a Female Dispensary at an early date, as the District Board and the Municipal Council are willing to bear the initial and recurring charges of the dispensary. A statement showing the cost of initial equipment and maintenance charges is herewith submitted.

The dispensary may be opened in Mr. Tabala Nanappa's building, which is more airy and siutable for the dispensary on the condition offerred by him viz., free of rent for six months and thereafter on a rent of Rs.30/- per mensem. The building of Mr. Ranga Iyengar will be taken up free of rent for one year to be used as quarters for the Lady Sub Assistant Surgeon and to carry a rent of Rs.30/- per mensem thereafter. When a new building of the standard design is ready for opening the Maternity, a proposal will be made for the extra hands such as cook, Toti and

and Dhobi that will be required.

Favour of early sanction to open the dispensary from 1st July 1927 may be kindly obtained, as the local bodies are keen to have the dispensary opened without causing further delay.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.
